

# Concert Band Under New Baton For 1979

*-Photos by Bob Wyckoff*

THE NEVADA COUNTY CONCERT BAND announces the appointment of Gary Goldschneider as conductor of this community organization. Goldschneider has lived in Nevada County for a year and has impressed everyone with his musical skill and leadership. Recently he was named conductor of the Golden Chain Chorale.

His present activities include the formation of a long-awaited symphony orchestra for Nevada County. Among all these activities, Goldschneider finds time to teach his music students, involve himself in the local musician's guild, perform a variety of piano entertainment in local establishments and be a husband and father to his growing family.

The Nevada County Concert Band is a group of individuals and musicians of all ages (from junior high school to senior citizen) who perform band music for the community affairs and private functions. Marches, show tunes, dixieland and pops are among the styles of music played.

Rehearsals are Monday nights at 7:30 in the Lyman Gilmore School Band Room, Grass Valley. All musicians with the ability to read music are encouraged to check out and possibly join the community band.

-Steve Barber
