Holiday Concert

Nevada County Concert Band

The Sierra Musical Arts Association presents the

Welcome to our Holiday Concert for 1992. The Nevada County Concert Band always gets a warm welcome from you at our Picnic Pops and other concerts. We appreciate your generous applause and contributions.

The Band's most important aspect is that it provides local volunteer musicians - young and old - the opportunity to bring their talents to you.

We look forward to the day when the Band will grow to over 50 members, as the Band continues to develop into the quality organization that I, as Director and Conductor, can envision.

We encourage all instrumentalists with experience - particularly young players, who are our future heritage - to come out and enroll this Spring semester (Call Sierra College, 273-1314)

- Gene Gaddini, Conductor
