WELCOME!

Thanks for being a part of our summer PIONEER PARK PICNIC POPS concerts. We hope that you, your family and friends are ready to enjoy the warm summer night combined with entertaining musical selections played by the Nevada County Concert Band. This is a summer with guest conductors leading the band and it will be especially exciting for us.

Band concerts were presented at Pioneer Park even before the Band Shell which was completed in 1991. The band itself has a rich history dating back to the days of the Cornish gold miners. Our members, all from the local area, vary in age from pre high school to those well into their retirement years.

You can also enjoy our music at other local celebrations this summer, such as the 4th of July parade in downtown Nevada City, as well as the Nevada County fair and the Nevada City Constitution Day event.

Our guest conductor

Gene Graves, of Lake Wildwood, is the first of the guest conductors for the summer concert series. Gene is a talented and active musician with a very busy schedule in his retirement years. He was Chairman of the Humanities Department at Chabot College in Hayward where he conducted the Band, Jazz Band and Community Choir for many years. At the present time he is teaching percussion and is practice conductor for the Asian Youth Orchestra in Hong Kong. Gene has lots of energy and we expect an exciting performance.
