A Brief History

The Nevada County Concert Band owes its origin to Cornish miner immigrants from England. These Englishmen founded a number of all-brass bands in the Grass Valley/Nevada City, California, area, during the Gold Rush era of the 1850's. In those days, the bands played for parades and community celebrations.

The present organization grew from these roots and has developed into an active musical group in the region. It currently consists of a core of 40 to 60 community volunteers with varying backgrounds in the musical arts and whose members range from teens to retirees. True to its original charter, the band still performs mostly for parades and community events, including its Picnic in the Park Summer Series and annual appearances at the local Nevada County Fair, the Fourth of July and the Constitution Day Parades.

Our Conductor

Henry Hansen has been associated with the band since 1985, both as a clarinetist and as a conductor. At various times he has been a member of the Sierra Nevada Winds, the Twin Cities Chamber Players, the Sierra Community Symphony, the Foothill Symphony Orchestra and the CSU-Sacramento Clarinet Choir. He has played for productions by the Foothill Theater Company, the Nevada Union Theater Company, the Nevada Union Theater and the Community Players. He has also organized and performed in house concerts for the Sierra Musical Arts Association.

Our Funding

The Nevada County Concert Band is a non-profit organization and relies on our members and patrons for financial support. Music to expand our repertoire, fees for rehearsal and performance space and professional assistance are an ongoing need of our group. If you like what you hear, and would like to hear more, please, make a generous, tax-deductible contribution to our Band. We consider ourselves a Community Service and as such serve at the pleasure of our listeners and members.
