## A Brief History

The Nevada County Concert Band owes its origin to Cornish miner immigrants from England. These Englishmen founded a number of all-brass bands in the Grass Valley/Nevada City area during the Gold Rush era of the 1850's. In those days, the bands played for parades and community celebrations.

The present organization grew from these roots and has developed into an active musical group in the region. It currently consists of a core of 40 to 60 community volunteers with varying backgrounds in the musical arts and whose members range from teens to retirees. True to its original charter, the band still performs mostly for parades and community events, including its Picnic in the Park Pops Summer Concert Series and annual appearances at the local Nevada County Fair, the Independence Day Parade and the Constitution Day Parade.

## Cheryl Baker

Cheryl (Sutton) Baker holds a Bachelors of Music degree in Church Music from Westminster Choir College (Princeton, NJ), with her principle instrument as voice and a minor in organ. She plays many instruments, including violin, piano, recorder, guitar and solo handbells. Cheryl is an accomplished choral, handbell, and orchestral conductor, as well as a vocalist, published composer and handbell clinician.
