ABOUT THE BAND

The Nevada County Concert Band owes its origin to Cornish miner immigrants from England. These Englishmen founded a number of all-brass bands in towns throughout the foothills during the Gold Rush era of the 1850's. In those days, the bands played for parades and community celebrations.

The present organization grew from these roots and has developed into one of the most active musical groups in the region. It is a group of 40 to 60 community volunteers with varying backgrounds in the musical arts, whose members range in age from teens to retirees. True to its original charter, the Band still performs mostly for parades and community events, including its annual appearance at the local Nevada County Fair, the Fourth of July Parade, and the Constitution Day Parade.

The Band's most popular concerts are its annual "Pioneer Park Pops" series of concerts, held at Pioneer Park in Nevada City. These three concerts are presented on the last Sunday of June, July and August each year. You are invited to prepare a picnic meal, bring your family to the park and listen to the performance, in the cool early-evening mountain air, by The Nevada County Concert Band.
