

Our Conductor, Cheryl Sutton Baker

Cheryl has been directing the Nevada County Concert Band for five years. She is an accomplished choral, handbell, and orchestral conductor as well—not to mention being a vocalist, violinist, and published composer. She is the past director of the community handbell ensemble, Bay Bells, and performs and records regularly with the internationally acclaimed Sonos Handbell Ensemble. She teaches music at the Yuba River Charter School, Nevada Union High School, and will be starting a music program at Clear Creek School in the fall.

Locally, Cheryl is a member of the Sierra Symphony and plays occasionally with the Auburn Symphony. She is a graduate of Westminster Choir College (Princeton, NJ) and has recently completed her California teaching credential.

Our Announcer, Jim Kerr

Jim Kerr, the "voice of western Nevada County," retired from KNCO Newstalk 83 last summer after 18 years—a second career that followed 20 years as a US Air Force intelligence officer. His military career took him to Ohio, Vietnam, Thailand, Virginia, Germany, finally ending up at Beale AFB. After settling in Grass Valley, Jim applied for a part-time disc jockey job at KNCO in 1987, eventually becoming the morning host, programmer, and news director.

He's been announcing our concerts for several years now, and we hope he won't retire from this job for a long time. Thanks, Jim.

Join Our Band!

Did you play an instrument in high school or college? Whether you were first chair or a beginner, we always welcome new members. Dust off your instrument and come to a rehearsal right here on Monday nights at 6:30. Sit in with us one time, and you might be up here on stage for the next concert. Most of us have found that you really can come back to music after a long break, and it's just pure fun. Nice people, too! (No rehearsal on July 3, but we'll be back on July 10.) For additional information, visit our website at www.nccb.org or talk to any band member.

Support Our Band

Support for the band comes from people like you. The custom of free public concerts dates back to the Gold Rush era, and we are proud to carry on the tradition. Though the concerts are free, it still costs money to run the band. Your contributions allow us to buy music, pay for winter rehearsal facilities, provide website service and printed programs, occasionally add to our instrument collection, and cover the myriad little things that add up to real expenses. Tax deductible contributions may be sent to our mailing address as well. We appreciate your support.
