Join Our Band!

Did you play an instrument in high school or college? Whether you were first chair or a beginner, we always welcome new members. We play 10 or more concerts each year, including indoor programs in the winter and spring. Dust off your instrument and join us at our Monday night rehearsals. Sit in with us one time, and you might be up on stage for the next concert. Most of us have found that you really can come back to music after a long break, and it's just pure fun. Nice people, too! For additional information, visit our website at www.nccb.org or talk to any band member. Rehearsals for our Holiday Concert (December 3) begin on October 16.

Coming Events

Please come join us at our final summer-season local performance:

Sun., Sept. 10, 12:30 pm *Constitution Day Parade* Nevada City

Our winter *Holiday Concert* will be on Sunday, December 3. Check our website (www.nccb.org) for details.

Our Conductor, Cheryl Woldseth

Cheryl (Sutton, Baker) Woldseth is an accomplished conductor, performer, clinician, and educator. She has been the music director for several churches in the San Francisco Bay Area and is the past director of the community handbell ensemble, Bay Bells.

Cheryl holds a Bachelor of Music degree in Church Music from Westminster Choir College (Princeton, NJ), with a major in voice and a minor in organ, although she plays many other instruments, too. Cheryl has served many years at the national and local levels within the American Guild of English Handbell Ringers (www.agehr.org), is an active member of the professional handbell ensemble Sonos (www.sonos.org), and often sits in with the Auburn Symphony (www.auburnsymphony.com). She teaches music privately and at Clear Creek and Yuba River Charter schools, and she substitute teaches throughout the Nevada County school district. Cheryl lives in Grass Valley, CA, and is a member of the music fraternity Sigma Alpha Iota. She also owns Bronze:FX, a music publishing company (www.bronzefx.com).

Our Announcer, Jim Kerr

Jim Kerr, the "voice of western Nevada County," retired from KNCO Newstalk 83 last summer after 18 years—a second career that followed 20 years as a US Air Force intelligence officer. His military career took him to Ohio, Vietnam, Thailand, Virginia, Germany, finally ending up at Beale AFB. After settling in Grass Valley, Jim applied for a part-time disc jockey job at KNCO in 1987, eventually becoming the morning host, programmer, and news director.

He's been announcing our concerts for several years now, and we hope he won't retire from this job for a long time. Thanks, Jim.

Support Our Band

Support for the band comes from people like you. The custom of free public concerts dates back to the Gold Rush era, and we are proud to carry on the tradition. Though the concerts are free, it still costs money to run the band. Your contributions allow us to buy music, pay for winter rehearsal facilities, provide website service and printed programs, occasionally add to our instrument collection, and cover the myriad little things that add up to real expenses. Tax deductible contributions may be sent to our mailing address as well. We appreciate your support.

Program Note: B. C. Bridges was born in Nevada City in 1892. His home was at the corner of Red Dog Road and Bridges Lane. As a young man, he played piano for the silent films at the local theater and clarinet in the original Grass Valley Band. He composed this march when he was 23 years old, in 1915, but, he never published it. Cheryl Woldseth edited the march and the band premiered that edition at our July 23rd Concert. The band wishes to thank the Bridges family for the opportunity to perform this piece
