## ABOUT OUR BAND

Every year, the Nevada County Concert Band (NCCB) brings back to life an era in American history when the local Sunday Band Concert was a grand social occasion. Located in the Sierra foothills' gold country of Grass Valley/Nevada City, the NCCB performs FREE concerts at public parks and local events. In the summer, bring a picnic to the Pioneer Park Concert Series in Nevada City, or wave a flag at the curbside with the band at the Independence Day Parade. Enjoy an indoor "formal" concert in the winter and spring. Our local volunteer musicians guarantee to entertain you with a fine selection of family-friendly music.

If you are seeking a true small-town experience, join the hundreds of loyal NCCB fans at any of the variety of concerts listed at our website. Once you experience the Nevada County Concert Band, you'll come to understand another reason why we believe the Gold Country is so special.

## OUR CONDUCTOR, CHERYL WOLDSETH

Cheryl (Sutton, Baker) Woldseth is an accomplished conductor, performer, clinician, and educator. She holds a Bachelor of Music degree in Church Music from Westminster Choir College (Princeton, NJ), with a major in voice and a minor in organ, although she plays many other instruments, too. She was a music director for several churches in the San Francisco Bay Area and for the community handbell ensemble Bay Bells ([www.baybells.org](http://www.baybells.org)), and served at the national and local levels for the American Guild of English Handbell Ringers ([www.agehr.org](http://www.agehr.org)). Cheryl currently performs professionally with Sonos Handbell Ensemble ([www.sonos.org](http://www.sonos.org)), and often sits in with the Auburn Symphony ([www.auburnsymphony.com](http://www.auburnsymphony.com)). She teaches music privately and at several local middle schools, and substitute teaches in the Nevada County school districts. She is a member of the Sigma Alpha Iota music fraternity, and also owns the music publishing company Bronze:FX ([www.bronzefx.com](http://www.bronzefx.com)). Cheryl and her family live in Grass Valley, CA.

## SUPPORT OUR BAND

Support for the band comes from people like you. The custom of free public concerts dates back to the Gold Rush era, and we are proud to carry on the tradition. Though the concerts are free, it still costs money to run the band. Your contributions allow us to buy music, pay for winter performance facilities, provide website service and printed programs, occasionally add to our instrument collection, and cover the myriad little things that add up to real expenses. Tax-deductible contributions may be sent to our mailing address as well. We appreciate your support.
