He holds a Bachelor of Music degree from University of the Pacific, and a Masters in school administration from Cal State Hayward (East Bay). SUPPORT OUR BAND

Support for the band comes from people like you. We proudly carry on the Gold Rush-era tradition of free public concerts. Though the concerts are free, there are still expenses to run the band. Your contributions allow us to buy music, pay for winter performance facilities, provide website service and printed programs, occasionally add to our instrument collection, and cover the myriad little things that add up to real expenses. Tax-deductible contributions may be sent to our mailing address as well. We appreciate your support.

You really *can* come back to music after a long break, and it's lots of fun. Nice people, too! Talk to us, visit our website, or just drop in. It is common for new members *not* to play every piece at first. **All High School students earn Fine Arts credit** through Nevada Union High School's Adult Education (including out-of-district students too).
