CONDUCTOR'S WELCOME—CHERYL WOLDSETH

The Nevada County Concert Band has had a fantastic summer season, as I complete my 15th year as their conductor. Our full band (more than 80 members) completed ten concerts between May and September (whew, that's a lot!), and our various small ensembles performed at twelve more events (separate from the full band). We've had memorable experiences (ask us about the day the bus to our Graeagle concert broke down), taken a lot of pictures and videos (check out our website), and laughed a lot together (we are often a bit silly).

And since today is the final concert of our 2016 summer season, you are getting the best of the best at today's "Greatest Summer Hits" concert. Not only have the NCCBand members voted for which songs they wanted to perform today, but they are also at the top of their performance level. When this concert ends, the musicians turn in their folders and take a few well-deserved weeks off, later to return to a whole new season with brand new repertoire.

So enjoy today as much as we do, as we share our love for music at this picnic pops concert – our first event in Alta Sierra!

OUR CONDUCTOR

Cheryl (Sutton, Baker) Woldseth has a Bachelors of Music degree in Church Music from Westminster Choir College (Princeton, NJ), sings, and plays many instruments. In addition to conducting the Nevada County Concert Band, she performs/records/tours with Sonos Handbell Ensemble, teaches music at several local schools, performs with the Raspberry Jam Band and Blended Metal Saxophones, and has served several non-profit music organizations. She is a member of the music fraternity Sigma Alpha Iota, and owns the music publishing company Bronze:FX. Cheryl lives in Grass Valley, CA.

NEWS FROM THE NCCBAND EXECUTIVE BOARD

Being a member of both Alta Sierra Homeowner's Association (ASPOA) and the Alta Sierra Country Club (ASCC), I am very excited that we are bringing the band to play at this venue. Although these two organizations are not affiliated with each other, working together for events such as this benefits the community. Besides garnering support for the band, we hope that today's performance will help stir audience interest in ASCC membership and ASPOA volunteerism. In the mean time, enjoy our last outdoor concert of the year!

Another way to help the band is to become an advertiser in the program. We are currently taking requests for ad placement for our 2017 season. If you would like to place an ad, email us at nccband@yahoo.com.

ABOUT THE NEVADA COUNTY CONCERT BAND

Every year since 1971, the Nevada County Concert Band (NCCBand) brings back to life an era in American history when the local Sunday band concert was a grand social occasion. Located in the Sierra Nevada foothills' gold country of Grass Valley and Nevada City, this non-profit organization performs free concerts at public parks and local events, paid only through sponsorships and donations.

In the summer, enjoy the four-part Picnic Pops Concert Series, or wave a flag at the curbside with the band at the Independence Day Parade; or enjoy an indoor concert in the winter and spring. The NCCBand also performs at the Nevada County Fair, and at a street concert during the Constitution Day Celebrations' weekend of events. The band's many ensembles support school programs and entertain at smaller events. Our local volunteer musicians will always entertain you with a fine selection of family-friendly music.

The NCCBand's season runs primarily from May through September, plus a December holiday concert. This allows band members to participate in various school and church seasonal events, without conflict from the NCCBand's rehearsal or performance schedule. Today's concert ends the band's 2016 summer concert season!

JOIN THE FUN!

You really can come back to music after a long break! We always welcome new members! Talk to us, visit our website, or just drop in. It is common for new members to not play every piece at first. If you don't play an instrument, but want to join the fun, become a Band Hand! Ask any of the Band members about joining our long tradition of providing free entertainment for Nevada County.

JERRY FOOTE SCHOLARSHIP FUND

An oboe and English horn player, Jerry was an active member of the Nevada County Concert Band. This scholarship was established to honor Jerry's memory to promote development of young musicians in our community, to benefit local music education programs, and to support local private music teachers. Details about the scholarship are available at <http://nccb.org>.

Congratulations to **Rebekah Shuholm** (trumpet) and **Braeden Ames** (flute, piccolo, oboe, trombone, mallets), who have been awarded the 2016 scholarships of \$1000 each. Rebekah performed a beautiful rendition of "Trumpeter's Lullaby" at our Picnic Pops concert in June. Braeden conducted "Overture for Winds" at our Picnic Pops concert in August.

Applications for 2017 will be available soon! Local school scholarship counselors will disburse the information to Nevada County students, plus there will be announcements on the NCCBand's website, Facebook, and other local media. This scholarship awards up to \$1,000 to a talented high school student, and/or \$1,500 to a talented college student. The scholarships are offered annually to students ages 16-25, and are available to fund private music lessons and educational opportunities and/or for college tuition to further the study of music. A portion of every NCCBand concert's donations are added to this scholarship fund.

FINE ARTS CREDIT FOR HIGH-SCHOOL STUDENTS

NCCBand is registered with the Nevada Union Joint High School District as an Adult Education class. Without any fees, band members who are in high school receive fine arts credits for participating in the band. Just show up at any rehearsal to get started!
