About Today’s Event
For 16 years, the Nevada County Concert Band has invited off-season band musicians to join us for this July day, rehearsing remotely and then just this morning together. And they come from all over the USA to create this mid-summer extravaganza. Our beautiful venue, appreciative audience, historic landmarks, and welcoming musical community make many come back every year. Today’s concert will be broadcast live on the Classics Declassified show on KVMR radio, plus streaming on the internet.
