Although music is not his major, he intends to continue through school and community ensembles, teaching private students, and seeking more performing opportunities. Eventually, he intends to teach music as a volunteer and/or high school music educator so he can spread his passion for classical music to young musicians and strengthen the community of musicians.

## **ABOUT US**

Since its start as a county-wide non-profit band in 1971, the Nevada County Concert Band performs with local volunteer musicians at numerous performances throughout its summer season. The band specializes in open air concerts. All of our concerts are free to attend.

## **BE A BAND MEMBER**

We are always seeking new musicians! All instrument players are welcome who can read music well. Young and old sit side by side, and we would enjoy having you join our band family. Not every member can be at every performance, so we welcome new musicians!
